

GIDEON'S 300

The "now" word of the Lord is "muster." He is sounding the alarm. He is mustering the troops.

"You need not fight in this battle; station yourselves, stand and see the salvation of the Lord on your behalf, O Judah and Jerusalem.' Do not fear or be dismayed; tomorrow go out to face them, for the Lord is with you" (2 Chronicles 20:17).

There is a distinct prophetic call to us from the Lord to gather. He is "marshaling the troops." He is setting everyone and everything in order. He is calling us to "pay the price" for His kingdom. He is engaging us for exploits!

Sign up as a member of Gideon's 300 and support the work of God's Kingdom in Texas. ❖ MUSTER THE TROOPS ❖

In the spring of 2010, I stood under the Houston Oak near Gonzales, Texas and called the saints of God to muster together. The Houston Oak is where Sam Houston mustered the newly formed army of Texas after the fall of the Alamo. The Alamo represented a place of complete sacrifice. In this season, we are fighting another nation or kingdom. Dr. John Benefiel of Oklahoma reminded us of one simple fact. There are only two kingdoms - the kingdom of our God and the kingdom of satan.

OUR TXAPN VISION

The Texas Apostolic Prayer Network desires to see the redemptive gifts and anointing of the State of Texas to flow freely. We desire the people, the history, the culture, and the destiny of the State of Texas to be transformed as the Lord is enthroned in our midst. TXAPN is a statewide and region-wide network of intercessors committed to this call! It will develop, connect and communicate with leaders and intercessors throughout the State of Texas and beyond.

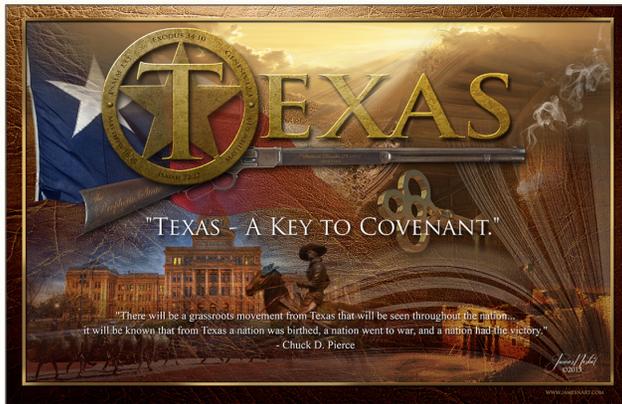

“There is a mantle on Texas to bring forth change in America. I say there is a governmental anointing on the State of Texas – on the church of Texas – to rise up in her position in heavenly places and begin to legislate and begin to affect, to release the government of God that changes the government of man.” (Dutch Sheets)

“There is a nation in your loins and you will birth a nation. God is giving you the authority to address giants who are stopping it. There will be a grassroots movement from Texas that will be seen throughout the nation and the Giant will

As a prayer warrior, it is important to keep our spiritual eyes and ears open to what Holy Spirit is saying and keep our swords sharp and ready for any attack the enemy may bring. We ask that Gideon's donate a minimum of \$25 per month to help support this vision.

To better assist you in doing this we are partnering with some of our major apostolic and prophetic leaders to bring you audio messages. We will have scheduled conference call prayer sessions. On the TXAPN website you will be able to enter a coded site to receive those messages and prayer updates.

It took only 300 with Gideon to overcome the enemy from stealing their harvest and possessing their inheritance. We desire to see the body of Christ in Texas begin to possess their inheritance and the enemy to flight. Help us continue to see Texas as His Prophet State!
